

## 18W Milynda Floor Lamp

M92HBT

- 1** Carefully unwrap packing from lamp and shade. The glass shade is included in a separate box. Do not plug lamp in.
- 2** Screw the lower lamp stem into the base (A). Screw the upper lamp stem into the lower lamp stem (both ends are threaded for easy assembly), as indicated in the diagram (B).
- 3** To attach the glass shade (C), carefully remove the shade from the box. Insert the shade into the socket head (D). Tighten the three screws (E) at the base of the socket head, by turning them clockwise until the shade is secure on the lamp.
- 4** Insert the 18 watt swirl bulb (F) straight into the socket (G) until a "click" sound is heard. In order to remove the bulb from the socket, pull it straight out. Do not twist the bulb.

- 5** In order to adjust the lampshade to the desired position, loosen the knob (H) by turning it counter-clockwise. Adjust shade to desired position and tighten knob by turning it clockwise.
- 6** Plug lamp into a power source and turn the power switch (I).

Please note that in operation, OTT-LITE bulbs are not dimmable. Enjoy your OTT-LITE® Milynda Floor Lamp!
